

COMMUNITY WILDFIRE PLANNING WORKSHOP

THURSDAY, AUGUST 11TH @ 7PM

HELP IDENTIFY PRIORITY PROJECTS TO PREPARE
CAPAY VALLEY FOR THE NEXT WILDFIRE

Capay Valley residents from West Esparto to Rumsey are invited to attend a workshop style meeting to give your input to the Yolo County Community Wildfire Protection Plan (CWPP). The CWPP is a strategic plan to reduce wildfire risk and is being created by the Yolo County FSC and the Yolo County Office of Emergency Services and will be approved by state and local fire jurisdictions.

Join us on August 11th at 7 PM to have your voice heard on hazardous fuels reduction work, defensible space projects, and community education.
